Labor Tracking Module (LTS) – Ver. 3.8.4

With this revision the following changes were made:

1. **Daily Timesheet – Blank – Format was changed by adding additional lines at top of form. A, B, and C letters reduced in size.**

2. **Internal Cost Report – Bug where report totals appeared on a new page when report total = 0 has been fixed.**

3. **Labor Billing Summary by Cost Code – Days column has been added along with the normal Hours column.**
